January 19/25

Mr J. C Collier

Barnesville Ga

Dear Mr Collier

I trust you will forgive
my Delay in and your very
kind letter of Jan 2nd My
Husbands full name
was William John Collier
he was sixty Two years old
July second 1922 he died Sept
22/1922. I came home from
the market where I had
gone to get some fish he
wanted for his dinner I
found him dead in the
yard he died from an
accident he had received in

in a big Bakery here he lived. Just one year and three days. it was the very Rich Langendorff Firm they never gave me one dollar and it was there neglect that killed. when they brought him home he told me it was his death blow and before he died was one of those fine healthy Englishmen with big deep blue eyes clear fair skin and brown hair. by Occupation Engineer a good provider. and I was

deeply in love with him and he with me. we were maried 21 years. I can not speak of his death it was just to terrible we had our little home. and I had just my drought in the ~~Bak~~ bank to pay for administrating on it and now I go and take care of children and try many different ways to get along and take care of my self My Dear Boy had one very bad fault. he was very fond of the miner and just as soon as he would get a little a head he would in some way put it in the mines well we

all those over 4 folks. he told
me very little about his People
he could of ans to day and
date every one of your questions
his Fathers name is
Charles Collier he lives at No
28 Anderson R D
Berger Road. Hornesto
London England I found
when here he was gone This
adress is in his hand of late
date I think his mothers
maden name was
Matilda Gardner but am
not sure. There was several
Children one Brother Robert
and one Sister Sarah There
were others and once he told
me had had an Uncle

John Collier who was a great Artist and a devlpetor he said once his Family was a fine one then not another word would he say he was very reticeing little to say and would not mix with People he was named for this great Artist now if it will help you any I Can have his Naturlisation papers copied and send and Also send you a good pictre of him I dopse there is some words spelled wrong and very poor miking but I did the best I could Shocks tell on us all if you would like I Can take a list out

of the telephone book of all the Colliers in L I and send you that spell there name Collier it may help some I do not know the D C Collier you speak of why I do not know but Willie did not want to tell me of his relatives. if you ever come to L I just come out to 373 15 col and you will find his widow that is in a little Cottage I have always felt to timid to write his Father but think I will you will now understand why I did not ans at once will gladly do any thing I can to help in your search very kindly Ladoska A Collier
